

Special assistance or facilities for disability if you attend the court

Note 11

If you need special assistance or special facilities for a disability or impairment, please set out your requirements in full. The court staff will need to know, for example, whether you want documents to be supplied in an alternative format, such as Braille or large print. They will also need to know about any specific requirements you may have on the day of the hearing, such as wheelchair access, a hearing loop, or a sign language interpreter.

The court staff will get in touch with you about your requirements. It is important that you make the court aware of all your needs. If you do not, the result may be that the hearing has to be adjourned.
