A Settlement

Under the Civil Procedure Rules parties should make every effort to settle their case before the hearing. This could be by discussion or negotiation (such as a roundtable meeting or settlement conference) or by a more formal process such as mediation. The court will want to know what steps have been taken. Settling the case early can save costs, including court hearing fees.

For legal representatives only

I confirm that I have explained to my client the need to try to settle; the options available; and the possibility of costs sanctions if they refuse to try to settle.
