This section is for any concerns not already raised in the form regarding the child's safety and wellbeing.

## Section 5

### **Steps or orders required to protect your wellbeing and safety and that of the children**

The different types of orders that can be applied for under section 8 of the Children Act 1989 are as follows:

- a) **Prohibited Steps:** this prevents a parent from taking a particular action as set out in the order without the permission of the court. This also applies to actions by any other person named in the order.
- b) **Specific issue:** this decides specific questions e.g. about education, medical treatment or a foreign holiday or visit where parents or those with parental responsibility cannot agree.

## Section 5

### **Attending the Court**

This section asks if you require any special measures put in place when you attend court. The court will try to supply you and your witnesses with a separate waiting area and the other measures listed. However, this is not always possible and can depend on the court facilities as to whether these measures are available.

## **Response to allegations of harm (page 8)**

This section should only be filled in if the other party has served a completed form C1A.

If no form C1A is served with the application for an order the respondent will need to complete the form C1A to be returned with form C7 Response to an application under the Children Act 1989.
